

# Patt-Ch6 Programming

## Patt-Ch6 Programming

### 6.1 Problem Solving

#### 6.1.1 Systematic Decomposition

#### 6.1.2 Three Constructs: Sequential, Conditional, Iterative

#### 6.1.3 Instructions Implement of Constructs

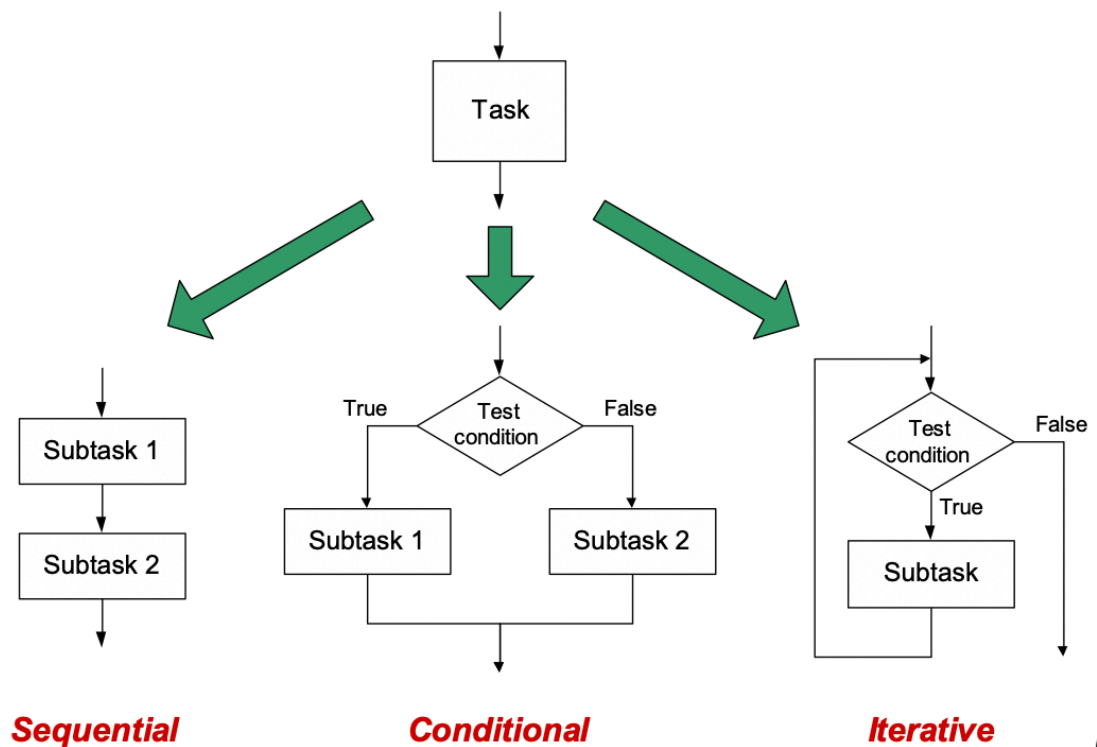

#### 6.1.4 Example: Char Counter

## 6.1 Problem Solving

### 6.1.1 Systematic Decomposition

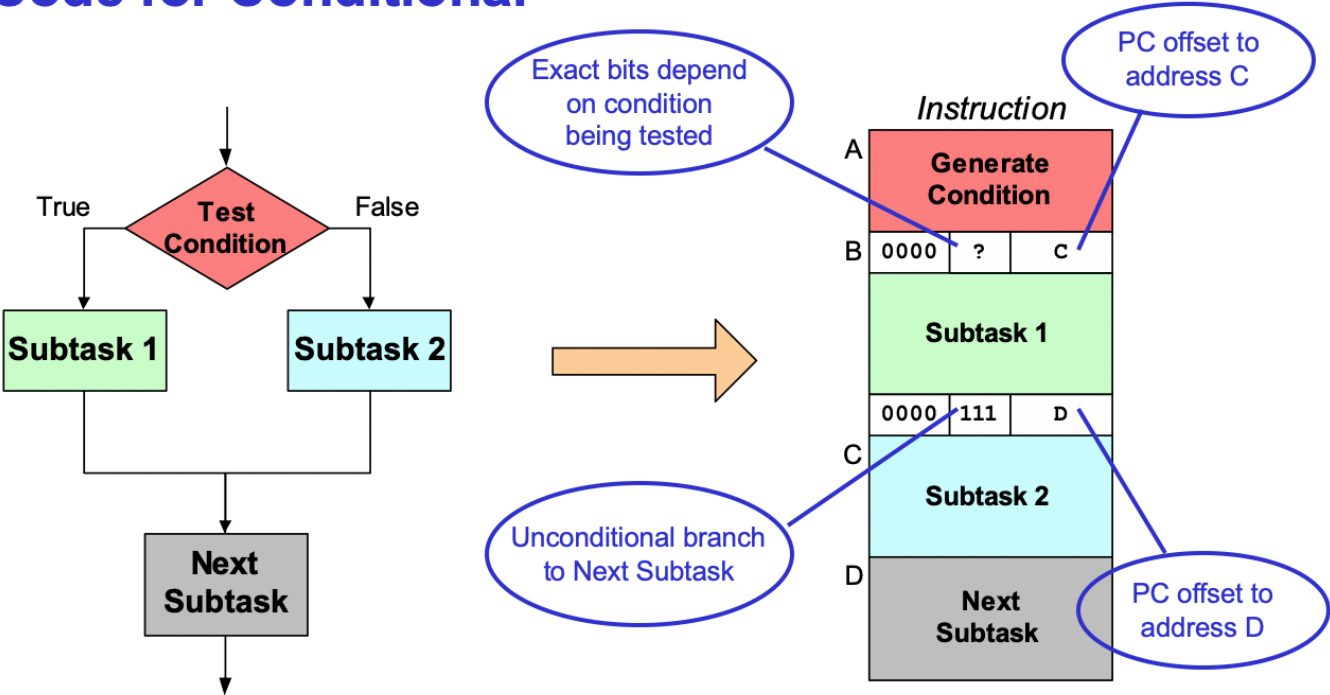

- Systematic Decomposition
- Step-by-step
- Stepwise Refinement

### 6.1.2 Three Constructs: Sequential, Conditional, Iterative

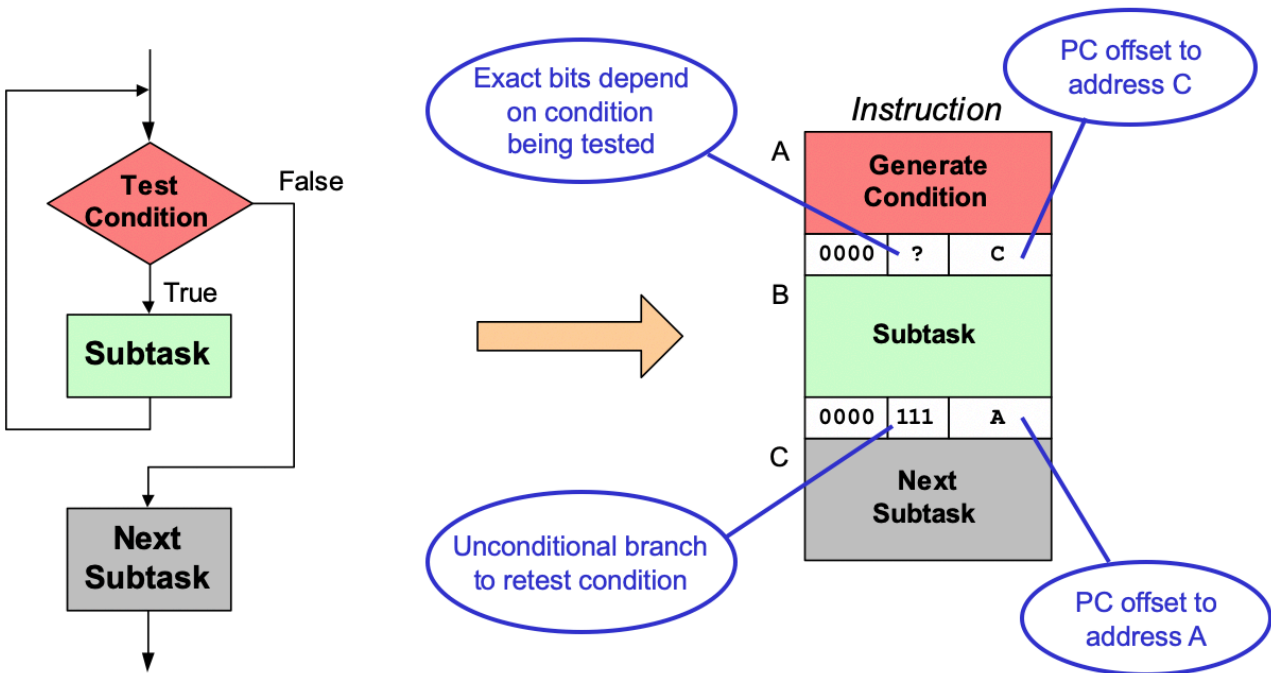

# 6.1.3 Instructions Implement of Constructs

## Code for Conditional

## Code for Iteration

### 6.1.4 Example: Char Counter
